

Takatuf Leadership Academy

Takatuf Leadership Development Programme

A UNIQUE LEADERSHIP PROGRAMME

Takatuf and HEC Paris have partnered to offer a unique Leadership Development Programme with an innovative approach to support Oman's leadership talent pools. The programme will help participants learn the tools that will let them and others thrive in their organisations. Participants will further develop their leadership and strategic thinking skills, which will allow them to enable execution and development at all levels.

HEC Paris has been ranked one of the world's top 3 providers of Executive Education programmes for the last 7 years by the Financial Times.

ABOUT HEC PARIS

Founded in 1881 by the Paris Chamber of Commerce and Industry, HEC Paris specialises in education and research in management sciences. As a leading academic institution in Europe and worldwide, HEC Paris offers a complete and unique range of education programmes for students and leaders. HEC Paris has a permanent faculty of 106 professors, 4,000 students and over 8,500 managers in executive education programmes every year. In June 2010, HEC Paris joined Qatar Foundation and brought world-class Executive Education programmes and research activity to Doha and the region. By February 2011, HEC Paris launched Qatar's first international EMBA. In addition to the EMBA, HEC Paris provides in Qatar a Specialised Master's Degree in Strategic Business Unit Management. The institution also offers non-degree management programmes for executives, in the form of open enrolment programmes as well as custom-designed programmes for individual companies.

ABOUT TAKATUF

Takatuf is the strategic provider of innovative Human Capital solutions. Since 2013, Takatuf have been responding to Oman's workforce development needs and providing strategic, innovative Human Capital solutions for a wide variety of corporate and institutional projects across the Sultanate.

Takatuf operates in five key areas:

Assessment: We support our clients in making objective and informed decisions about staff selection and development.

Coaching: We offer professional coaching with a focus on developing the leadership skills of our clients.

Human Capital Consulting: We create customised and effective solutions for our clients that enable their organisations to attract, develop and retain employees.

Takatuf Scholars Programme: We enable Omani students to develop 21st century competencies through a rigorous academic enrichment programme, preparing them for personal and professional success in Oman and abroad.

Training Institutes: We establish strategic partnerships with global organisations to create internationally-accredited training opportunities.

LEARNING

METHODS

A HANDS-ON APPROACH TO REAL-WORLD TRAINING

This leadership programme will take participants through an innovative experiential learning process that combines both theory and practice:

Experiential exercises, simulations, case studies and role-play:

Will give participants an opportunity to simulate 'real-life' situations and to develop and expand their analytical and decision-making skills.

Team work:

Is a core aspect of the teaching methodology. It enables peers to share experiences, learn how to prioritise, decide and deliver their group assignments collectively.

Action Learning Project:

Will assure the practical application of learning. This will be an opportunity to work on and resolve concrete, real company specific issues. It will keep momentum between the modules and embed learning after the programme ends.
